

# FREELANDER 2

ABOVE AND BEYOND

## THE 2015 FREELANDER 2 HAS NEVER BEEN MORE READY FOR ADVENTURE

Combining Land Rover capability and versatility with striking lines and up-to-the-minute technologies, it packs as much in as you do.

## SPECIFICATIONS

Page 20

The Freelander 2 is designed and engineered to take whatever life throws at it. With Land Rover DNA at its heart, its eminent capability has been proven without question. A glance at the vehicle's purposeful stance and contemporary looks tell you its design cues are of the moment. Sleek lines and sporty, sophisticated styling combine to create an exciting profile and silhouette. The Freelander 2's front and rear lamps, front grille and vent finishers, add greatly to the sense of modernity and muscularity. Whether you're chasing the surf, in town or cruising down a motorway, the Freelander 2 is a fully formed SUV in a more compact form.

The Freelander 2 has been tested beyond the limitations of most. It has performed in temperatures ranging from  $-40^{\circ}\text{C}$  to  $+50^{\circ}\text{C}$ . It has been driven at altitudes of up to 14,000 feet. And it benefits from excellent approach and departure angles, coupled with generous ground clearance to tackle the toughest of terrains.

If the Freelander 2 was born to perform in all conditions, it was also created to do so on the most challenging terrains. All-terrain technologies featured in the Freelander 2 include Hill Descent Control that takes the strain out of negotiating those difficult slopes and the renowned Terrain Response® which automatically optimises traction and driveability by adapting to the demands of the terrain.

The Freelander 2 is equally at home in the city as it is on the most demanding terrains or roads. Its poised, controlled drive is sure and responsive; its fuel consumption and improved CO<sub>2</sub> emissions are exemplary. With a choice of engines, the vehicle has the breadth of capability and performance to match any preferences.

The Freelander 2 enjoys exceptional performance no matter what powertrain is utilised, with two-turbocharged diesel power units available. Improved fuel consumption and low CO<sub>2</sub> emissions are now enjoyed across the range.

The interior of the Freelander 2 has been created to provide a light and airy space that is both comfortable and understated, with simple flowing lines and intuitively placed controls. A range of trim options and personal touches help emphasise individual tastes.

Freelander 2 naturally accommodates five adults with ease. Everyone benefits from generous leg, head and shoulder room. They can all enjoy the view too as the rear passengers sit in Stadium Seating that is 50mm higher than those in the front. Added to which, the loadspace is as generous as it is versatile. The vehicle's Command Driving Position greatly improves the view of the road ahead and provides better visibility of the vehicle's corners. The seats are optimised for comfort and support with a range of adjustments proving invaluable on those longer journeys.

If you want to get closer to the music, you'll love the sound system in the Freelander 2. There are three to choose from including the Meridian™ System with 17 speakers and a thundering 825W of power. This system features a virtual CD player which allows up to ten uncompressed albums to be stored on the hard drive. Naturally, MP3 connectivity comes as standard. A rear view camera is also available which displays images from behind the vehicle on the centre console screen, helping you to park and manoeuvre more easily.

The image features a dense, repeating pattern of small circular perforations on a dark, metallic surface, creating a mesh-like texture. In the lower center, the word "MERIDIAN" is displayed in a white, sans-serif font. The text is contained within a dark, horizontally-oriented oval shape that has a subtle gradient and a slight shadow, making it stand out against the perforated background.

**MERIDIAN**

With a raft of sophisticated safety systems, the Freelander 2 has been built to take almost anything life throws at it. Firstly, its strong monocoque body and inner body cell, both of which are protected by crumple zones, are designed to absorb energy on impact.

Then, high-strength steel has been used in the build of the body and dual-phase steel is found in key components such as the front windscreen pillars and lower side sills. Such technologies help to create a first class safety cell providing remarkable protection.

# SPECIFICATION

Another level of individuality. The Freelander 2 allows you to personalise your vehicle however you wish. The following pages take you through a logical series of steps to make it a true expression of your individuality. You have several choices: from selecting your engine and model to exterior and interior colours, wheels, facia inserts and those detailed touches that define your style.

If you'd like more information or to try our online configurator, go to [landrover.co.uk](http://landrover.co.uk)

## Step 1

### Choose your engine

Page 22

You can select from a powerful range of petrol or diesel engines.

## Step 2

### Choose your model

Page 24

Compare the standard features on each model.

## Step 3

### Choose your colour

Page 32

There's a wide range on offer to enable you to express yourself.

## Step 4

### Choose your wheels

Page 34

There's a range of styles, each one designed to complement the bold exterior.

## Step 5

### Choose your interior

Page 36

Carefully selected colours complemented by facia inserts. You can personalise your own interior space.

## Step 6

### Choose your options

Page 46

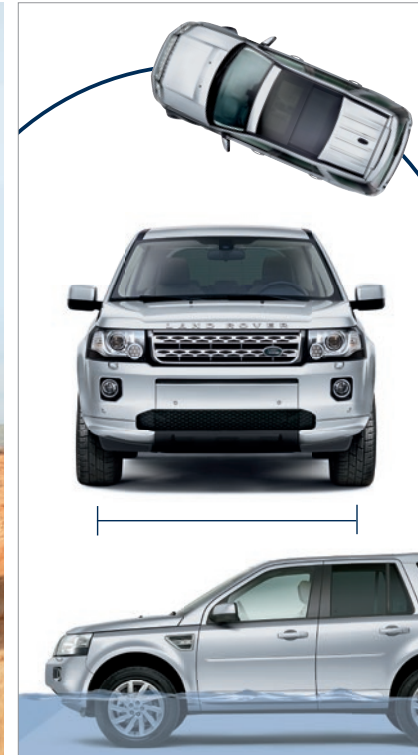

Additional options can enhance your personal requirements.

## Key Features

Page 48

The latest innovations that make your vehicle a pleasure to drive.

## Technical Details

Page 52

Technical information and data for dimensions, performance and specifications.

## Accessories

Page 54

A range of stylish and practical accessories. You can tailor your vehicle to your specific needs.

STEP 1 CHOOSE YOUR ENGINE

## DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

The Freelander 2 enjoys exceptional performance no matter what powertrain is deployed. When you choose one of the two diesel variants, you can be sure of a smooth delivery of power, improved fuel efficiencies and improved CO<sub>2</sub> emissions.

2.2L TD4 DIESEL MANUAL

2.2L SD4 DIESEL AUTO

	2.2L TD4 DIESEL MANUAL	2.2L SD4 DIESEL AUTO
Driveline	Four Wheel Drive (4WD)	Four Wheel Drive (4WD)
Power (hp/kW)	150 / 110	190 / 140
Torque (Nm)	420	420
Maximum torque (rpm)	1,750	1,750
Capacity (cc)	2,179	2,179
No. of cylinders	4	4
Cylinder layout	In-line	In-line
<b>FUEL ECONOMY</b>		
Urban	mpg 38.2	32.2
Extra Urban	mpg 50.4	48.7
Combined	mpg 45.6	40.4
CO <sub>2</sub> Combined emissions	g/km 165	185

The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. A vehicle's actual fuel consumption may differ from that achieved in such tests and these figures are for comparative purposes only. Low fuel warning at 9 litres approximately.

## STEP 2 CHOOSE YOUR MODEL

Each model has a choice of unique features. This guide will help you to select your ideal Freelander 2. On the following pages you'll see the standard features for each model.

### FREELANDER 2 SE

#### TD4/SD4 SE

**£27,765 TD4 SE Manual**  
**£30,270 SD4 SE Automatic**

#### SE Specification:

2.2 litre 150hp diesel engine (TD4) or  
2.2 litre 190hp diesel engine (SD4)

Six-speed Manual Transmission  
including intelligent Stop/Start  
technology and gear change indicator  
light (TD4 Manual)

Six-speed Automatic Transmission  
(SD4 Automatic).

#### Interior Features

Grained leather heated seats with  
armrests, six-way / four-way  
driver / passenger manual adjustment

Automatic climate control

Heated front screen

Cruise control

Rear parking aid

Land Rover Audio System with six  
speakers, single slot CD player and  
4.2 inch screen

Single USB iPod® connectivity

Bluetooth® phone connection

Leather steering wheel with  
multi-functional controls.

#### Exterior Features

18 inch ten-spoke alloy wheels

Halogen headlamps with LED signature

Dark Atlas grille with Gloss Black  
surround and Dark Atlas side vents

Heated powerfold exterior mirrors

Fog lights.

## FREELANDER 2 SE TECH

### TD4/SD4 SE TECH

£29,765 TD4 SE Tech Manual  
£32,270 SD4 SE Tech Automatic

#### SE Specification plus:

##### Interior Features

Meridian™ Audio System (380W) with 11 speakers and single slot CD player  
Hard disk navigation system with seven-inch Touch-screen  
Illuminated vanity mirrors.

##### Exterior Features

19 inch ten-spoke alloy wheels  
Automatic headlamps  
Rain sensing windscreen wipers.

## FREELANDER 2 METROPOLIS

### SD4 METROPOLIS

£35,995 SD4 Metropolis Automatic  
**SE Tech Specification plus:**

2.2 litre 190hp diesel engine (SD4)  
Six-speed Automatic Transmission (SD4 Automatic).

#### Interior Features

Premium Windsor leather seats with eight-way / six-way electric adjustment and driver memory  
Panoramic sunroof with electric tilt / slide front glass  
Meridian Surround Audio System (825W) with 17 speakers, radio and single slot CD player, MP3 disc compatibility and auxiliary input  
Heated leather steering wheel with multi-functional controls  
Premium carpet mats  
Map reading lamps.

#### Exterior Features

19 inch ten-spoke Diamond Turned with Contrast Paint finish alloy wheels  
Xenon headlamps with LED signature (includes headlamp powerwash)  
Premium metallic paint  
Rear view camera  
Silver Light Atlas grille with Gloss Black grille surround and Silver Light Atlas side vents.

## KEY FEATURES

#### Loadspace

The versatile rear loadspace can be expanded by folding the 60:40 split rear seats to provide a flat load floor, and up to 1,670 litres of space. With one metre between the wheel arches there's always room for more awkward loads.

#### Climate Control

As well as the standard air-conditioning system, optional dual-zone climate control, with pollen filter, humidity sensor and air quality control system, can be specified maintaining fresh air in the cabin, keeping you and your passengers comfortable whatever the weather.

#### Centre Console Storage

The rear of the centre console features an additional storage box for small items, an audio socket for MP3 players and a power socket, which can be used to recharge PCs and other low-wattage electrical equipment.

#### Steering Wheel Controls

Steering wheel mounted controls at your fingertips for ultimate ease of use. Depending on the model, the intuitive technologies available cover cruise control, the audio system, Say-What-You-See (SWYS) Voice Activation and hands-free telephone operation. Freelander 2 has Bluetooth® connectivity enabled. You'll be able to make and take telephone calls via the vehicle's audio system (subject to telephone compatibility). Say-What-You-See (SWYS) Voice Activation is a useful technology which helps the driver to use and interact more easily with the Freelander 2 by displaying voice commands on the seven-inch colour Touch-screen.

#### Trim Materials

Elegant, high quality materials are used throughout the cabin. Choose from facings in Grained leather or premium Windsor leather with colour co-ordinated door casing inserts. The front seats provide excellent support and have the option of electric control and seat memory.

#### Convenience features

Life with the Freelander 2 is so practical thanks to thoughtful technology. Available features include an electrochromatic rear view mirror for automatically minimising the dazzle of headlamps at night. There are rain sensing wipers and twin map lights conveniently located in the roof console above the rear view mirror.

## KEY FEATURES

### Electric Sunroof

The optional electric sunroof – with a fixed rear section and electric tilting/sliding front section – adds to the feeling of lightness and airiness within the cabin. The glass is specially formulated to filter the sun's infrared rays, providing light without unpleasant heat. Both sections also include a convenient blind.

### Terrain Response®

Land Rover's renowned Terrain Response system adds to the Freelander 2's breadth of capability. Any of the four programmes – General Driving, Grass/Gravel/Snow, Mud and Ruts or Sand – can be easily selected. In addition all vehicles with Terrain Response are also fitted with Hill Descent Control and Land Rover's Gradient Release Control systems.

### Stop/Start System

The intelligent Stop/Start system, fitted to all TD4 diesel manual models, improves fuel efficiency and reduces tailpipe emissions to zero by shutting down the engine, in appropriate conditions, when the vehicle comes to a stop. The system is able to operate at temperatures as low as 0°C.

### Satellite Navigation

The optional satellite navigation system, with a seven-inch colour Touch-screen, easy-to-use menu and extensive point-of-interest database, makes finding your destination as simple as possible.

### Rear View Camera

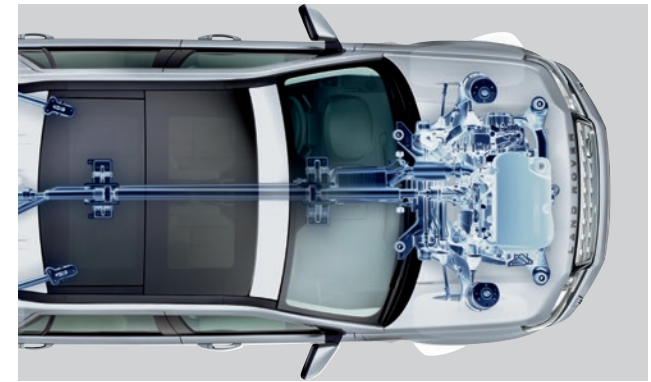

The rear view camera helps reversing by displaying a wide-angled rearward view from the vehicle on the centre console screen. To aid manoeuvrability, lines representing the vehicle's predicted path are superimposed on the image. Includes Trailer Hitch Assist which overlays the predicted path of the tow ball, facilitating easy coupling of trailers.

### In-Car Entertainment

An outstanding choice of in-car entertainment systems: Meridian™ is the ultimate audio specialist and creates sound just as the artist intended by benchmarking acoustic performance against real musical instruments. The Meridian Surround Sound System provides a perfect stereo image for each occupant and produces a natural, enveloping concert-like experience.

To increase your choice of listening DAB radio is available as standard.

#### Passive Start and Start/Stop Button

The convenient Passive Start system automatically detects the close proximity of the key, allowing use of the Start/Stop button without the key being docked in the vehicle. The remote control includes the following functions: locking and unlocking of the doors and tailgate, a 30 second courtesy headlamp delay and activation of alarm.

#### CommandShift®

The six-speed automatic transmission with CommandShift® is standard on SD4 diesel models. CommandShift® provides manual sequential gear changes and Sport mode for an even livelier performance.

#### Performance with Efficiency

The 2.2 litre turbo diesel engines, available in power outputs of 150hp and 190hp, come with common rail diesel technology which aids fuel economy and refinement and a variable nozzle turbocharger helping to deliver exceptional torque.

#### Safety

High-strength steel is used to construct a strong monocoque body and inner safety cell protected by front and rear energy absorbent crumple zones. Seven airbags are fitted as standard on all vehicles. There are separate driver and front passenger airbags for head and chest protection as well as side airbags for side impact protection. Full-length curtain airbags are designed to provide head impact and rollover ejection protection for all occupants. The Freelander 2 also features a driver's inflatable knee airbag for additional lower body protection.

#### Stability Control Systems

The Freelander 2 comes with a host of stability control systems as standard, designed to enhance traction by reducing engine torque and applying a unique braking force to each individual wheel where driving conditions dictate. They include: Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD), Emergency Brake Assist (EBA), Cornering Brake Control (CBC), Electronic Traction Control (ETC), Dynamic Stability Control (DSC) Trailer Stability Assist (TSA) and Roll Stability Control (RSC).

#### Headlamps

Two types of headlamp are available: Halogen headlamps with a signature LED light design; Automatic Xenon headlamps with automatic headlamp levelling and a signature LED light design.

# DIMENSIONS AND CAPABILITIES

Wheelbase 2,660mm

Height 1,740mm

Front wheel track 1,601mm

Rear wheel track 1,614mm

Width 2,005mm mirrors folded  
Width 2,195mm mirrors out

## Obstacle Clearance

Below front differential 210mm  
Below rear differential 265mm

## Standard Ride Height

With roof rails 1,830mm  
With roof rails and crossbars fitted 1,850mm  
With DAB radio 1,765mm  
With sunroof open 1,775mm

## Loadspace Capacity

Rear seats upright  
Height 885mm, Width 1,245mm  
Loadspace volume 755 litres  
Loadspace width between arches 1,000mm  
Length at floor 915mm

Rear seats folded  
Height 885mm, Width 1,245mm  
Loadspace volume 1,670 litres  
Loadspace width between arches 1,000mm  
Length at floor 1,570mm

## Headroom

Maximum headroom with panoramic sunroof 1,020mm  
Maximum headroom without panoramic sunroof 1,000mm

Overall length 4,500mm

## Turning Circle

Kerb-to-kerb 11.3m  
Wall-to-wall 11.53m  
Turns lock-to-lock 2.6

A  
Approach Angle  
31°

B  
Ramp Angle  
23°

C  
Departure Angle  
34°

## Wading Depth

Maximum wading depth 500mm

Front and Rear Sill Treadplate Kit  
LR002525

Finished in highly polished stainless steel.

## TOURING

The Freelander is a joy to drive wherever your travels take you. Fit this collection of accessories to tow heavy loads, keep the interior tidy and access your vehicle easily.

Fixed Side Steps  
LR002773

These robust side steps help with getting in and out of the vehicle, especially when the vehicle is parked on uneven terrain.

Luggage Net  
LR003852

Secured to rear of second row seating.

iPad® Holder  
VPLVS0165

Fits from iPad® 2 onwards.

iPad® 1 Holder  
VPLVS0164

Seat Back Stowage  
Standard – VPLVS0181  
Premium – VPLVS0182

Quick Release Tow Bar\*  
VPLFT0119

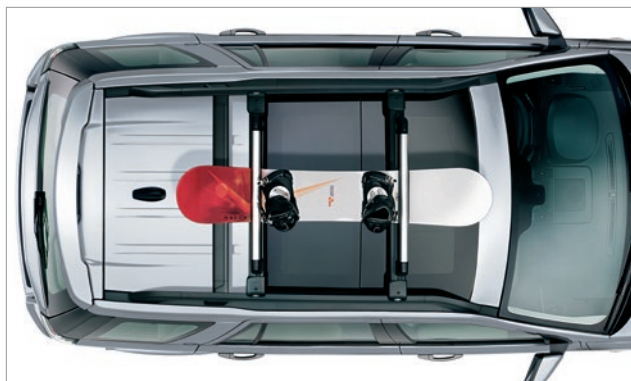

13PIN Towing Electrics  
VPLFT0106

Lockable for security. Easily removed. Trailer load capacity 2,000kg.  
Trailer nose load 150kg. Not compatible with Sports Styling Pack.

\*Required for vehicles fitted with Trailer Assist option.

## SPORTING

Whatever your sport, this collection of invaluable accessories upgrades your Freelander to the ideal sports vehicle, allowing you to stow your kit or a bike on the roof and protect the interior from scuffs.

**Ski/Snowboard Holder\***  
LR006849

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg.<sup>†</sup>

**Raised Roof Rails and Cross Brace Kit\***  
Panoramic Sunroof vehicles – LR007220  
Non Panoramic Sunroof vehicles – LR006608

Maximum payload 75kg.<sup>†</sup> Vehicle height when fitted 1,830mm. Crossbars not included.

**Cross Bars\***  
LR002417

Easily removed when not in use. Vehicle height when fitted 1,852mm. Maximum payload 71.8kg.<sup>†</sup> Vehicle must have accessory Raised Roof Rails and Cross Brace Kit fitted. Shown above, sold separately.

**Aqua Sports Carrier\***  
VPLGR0107

Tilts to facilitate easy loading and unloading. Carries one surfboard, kiteboard or sailboard and mast, or one canoe or kayak. Load capacity 45kg.\*\*

**Roof Mounted Bike Carrier**  
VPLFR0091

Lockable bike carrier designed for holding a single bike. Raised Roof Rails and Cross Bar Kit will accommodate up to three bike carriers.\* Load capacity 20kg.\*\*

**Flexible Loadspace Protector**  
VPLFS0244

Heavy duty fabric protects loadspace up to window height. Covers loadspace floor with second row seats folded.

\*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

\*\*Load capacity is minus roof mounted accessory weight. <sup>†</sup>Maximum payload equals the load capacity of the roof mounted accessory.

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealership within one month or 1,600 kilometres/1,000 miles (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealership who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Castrol EDGE Professional exclusively recommended by Land Rover.
